Mr

Dear

I am writing first of all to enclose this form W2, which tells you how much money you have already paid on your 1943 income tax. Be sure and keep this carefully.

You will have to file an income tax as you know.

I also want to take this opportunity to ask you about your plans for the coming baseball season. Do you plan to play ball? What is your draft classification?

We are going ahead with plans for 1944, and would like to know whether to include you in them.

I hope you are well. Please let me hear from you right away.

Very Truly Yours
